Dear Spring Boat Building Training Cadets and Families:

Welcome to the 2017 Spring Boat Building Training, at CHULA VISTA MARINA, CHULA VISTA, CA. This training will utilize the talents of some excellent Sea Cadet staff and will be supervised by a full complement of staff, who will report to the Officer in Charge.

This training is for adventurous Naval Sea Cadets who like building things and "messing about in boats.” In this training you will:

- Build a 14 foot wooden boat from scratch under instruction by a boatwright.
- Sleep aboard Schooner Bill of Rights (also affectionately known as, "The Bill"), a 137 foot wooden Gloucester schooner.
- After working in the boat shop, sail 12-foot sailboats and help to maintain the Bill.
- Go on a 3 hour bay sail aboard the Bill as tall ship deck hands in training. This includes a stint at the helm steering her, raising and lowering her sails, tacking, and coiling and ballantining her lines.

Please review the information listed below with your cadet. This will help ensure a safe and positive training experience.

**THE BARE ESSENTIALS YOU NEED TO KNOW**

1. Training runs from Sunday, 09APR17 (Intake Day) until Saturday, 15APR17 (Graduation Day) for Session 1 and Sunday, 16APR17 until Saturday, 22APR17, for Session 2.
2. Check-in for cadets in Session 1 who are arriving by private vehicle will begin promptly at 6:00 PM on 09APR17. Session 2 will check in at 6:00 PM on 16APR17.
3. If you are flying to this training, READ THE TRAVEL GUIDELINES in this letter.
4. To get an APPROVED slot at the training, you must:
   a. Have your unit’s training officer register you on the MAGELLAN system. We will confirm upon initial entry into Magellan if space is available but must receive the following within 48 hours or registration will revert to Submitted status:
      2) Completion of the SUPPLEMENTAL REGISTRATION FORM at www.nsccpsw.org.
      3) Submission of Medical Supplemental Form and/or Request for Accommodation if either are needed.
      NO ORDERS WILL BE APPROVED UNTIL ALL 3 PARTS ARE COMPLETE!!!
   b. Have your unit upload a copy of your completed and signed NSCTNG001 to MAGELLAN. The original should be placed in your service record, which you will bring to training.
   c. If you will be taking any medication, scan/email (or upload to MAGELLAN) a copy of the Page 7/8 Medical Supplemental Form. Your unit’s officers will help with this. **We will not confirm your space until your meds have been approved as appropriate for this training.**
d. Send us any ADA Request for Accommodation well in advance for review, subject to approval. An approved Request for Accommodation at the home unit does not automatically apply at the training. Your unit’s officers will help with this. Your request must be approved before we can approve you in your training.

5. This training requires WRITTEN proof of Class 2 Swimmer minimum – just checking the box on Magellan is not sufficient. Please upload the signed Swim Qual form to Magellan or email to admin@nsccpsw.org. WE MUST RECEIVE THIS FORM PRIOR TO START OF TRAINING OR YOUR ORDERS WILL BE CANCELED!

6. Please carefully follow the instructions in this letter regarding how, where, and when to report to training and for graduation.

7. Make sure that we have a correct email for you and your parents/guardians. We will use this email to communicate important information before and during training.

TRAINING OBJECTIVES: Our objectives and purpose for offering this training evolution are:

• To provide training in a Boat Building for those Cadets attending training.
• To provide professional training to NSCC Officers and NSCC Staff Cadets so as to allow them the opportunity to utilize their abilities in a supervised military environment.
• To promote the highest level of training that is consistent with NLCC/NSCC National Goals with an atmosphere of respect, support, and esprit de corps.

TRAINING LOCATION: Training will take place at the Chula Vista Marina, Chula Vista, CA. Berthing will be on the schooner Bill of Rights, docked in the marina.

SAFETY: Safety is our #1 priority. The success of this evolution depends on the safety of all personnel. This will be accomplished by the following methods:
• Accountability – This is achieved by knowing where our people are at all times and what they are doing. Each individual will act in a responsible manner.
• By always being alert to possible hazards and taking appropriate action to prevent possible harm to any personnel under our care.
• By making safety everyone’s responsibility, from the cadet to the Commanding Officer. If any person feels their safety is about to be compromised, that person will bring it to the attention of the chain of command.

CODE OF CONDUCT/HAZING/FRATERNIZATION: Please review the attached CODE OF CONDUCT. This code will be the basis for a quality training experience. Furthermore, there is a ZERO TOLERANCE for hazing and/or fraternization. This includes bullying, use of foul language, and any negative behavior that takes away from a safe and positive training environment.

PAYMENT: Payment for training fees, as well as airport shuttle fees, can be made at our website, www.nscpsw.org. Click on Spring Training and then follow Registration Step 4 to connect to our online store.

Important! Please include the following information as a note when completing your payment: Cadet’s first and last names and the name of the unit they belong to. Parents often have last names that are different from the cadets; how are we to know for whom you are paying if you don’t tell us in a note? For this reason, we encourage you to complete payment on a computer, not a phone, so that you don’t miss this important step. Please submit one payment at a time with the requested information.

In accordance with NSCC regulations, training deposits are non-refundable.

INTERESTED IN STAFFING?
Officer inquiries should be directed to LCDR Vahan Manoogian at srd@nsccpsw.org. Please contact us to have a conversation prior to applying for the training or booking flights.
Upon notification that you have a confirmed billet on the staff, you’ll receive separate instructions with details of your arrival and other useful information.

**REPORTING PROCEDURES:**
Cadets arriving by private vehicle should report at **6:00 PM on Sunday, April 9th**, for Session 1 and **6:00 PM on Sunday, April 16th**. **PARENTS MUST REMAIN ONSITE UNTIL THEIR CADET HAS CLEARED ADMIN!!!!**

If this presents a problem for you, please contact the COTC to make alternative arrangements.

**TRAVEL GUIDELINES:**
ALL PERSONNEL TRAVELING BY COMMERCIAL CARRIER ARE TO REPORT IN CIVILIAN CLOTHES.

You must provide a copy of your flight itinerary to admin@nsccpsw.org no later than 01APR17 but it is not necessary to provide this information when you register.

All cadets who are flying to training should plan to arrive at **SAN DIEGO INTERNATIONAL AIRPORT** as follows:

- **Session 1:** Arrive on Sunday, April 9th, NO LATER THAN 3:00 PM. Departure should be no later than noon on Saturday, April 15th.
- **Session 2:** Arrive on Sunday, April 16th, NO LATER THAN 3:00 PM. Departure should be no later than noon on Saturday, April 22nd.

Airline travelers will be transported by shuttle service to and from the Chula Vista Marina for a $20 fee each way (fee should be included with registration – if you didn’t include with registration or want to add, please see shuttle note below for how to pay or contact admin@nsccpsw.org with any questions). The shuttle will depart the USO at the San Diego airport at 4:00 pm on intake day so please plan accordingly in order to minimize your wait time until the shuttle leaves.

**PLEASE NOTE:** We cannot accommodate cadets traveling “unaccompanied minor,” which is a term the airlines use that means that a specifically named adult would have to meet the cadet at their gate. If this was your intention, please contact LCDR Manoogian at srd@nsccpsw.org to discuss PRIOR to booking any tickets.

Parents are reminded that plans can change – in rare cases training can be canceled - and should book airfare as “refundable/changeable.” This is also advised in case we have to send your cadet home early. We recommend that, should you choose not to purchase refundable fares, you purchase travel insurance. We cannot be responsible for fare increases due to unforeseen changes in the training schedule.

**SHUTTLE NOTE:** This is a privately scheduled shuttle for our cadets and staff only. You must reserve a space through us and pay in advance for the shuttle as the driver will NOT accept cash the day of arrival. Payment can be made at our website at the same place where you pay for training.

Upon arrival at the San Diego airport, you will proceed to the USO (across from Terminal 2). They will have a list of our arrivals so please check in with them. Our private shuttle is scheduled to depart around 4:00 pm. Depending on the time of your arrival, you could have a long wait so be prepared! **Make sure that we know your travel plans!!!** If you should encounter delays en route, please call 818-822-6818 and let us know.

**CADET SERVICE RECORD:** In your possession should be your service record, valid ID and a complete Sea Bag. No cadet may report aboard without a complete service record with all signatures properly executed on all relevant portions of the NSCADM001 form (Cadet Application, Medical History, Medical Exam) and NSCTNG001 (Request for Orders). Also, a **SUPPLEMENTAL HEALTH HISTORY** (Page 7/8 of NSCADM001) form should be included if taking or using over-the-counter or prescription medications. **INDIVIDUALS SHOULD CARRY THEIR OWN SERVICE RECORD.**

**REPORTING UNIFORM** is **WORKING UNIFORM** (civilian clothes if traveling by plane).

**GRADUATION:** There will not be a graduation for either session of this training. Cadets who will depart by private vehicle may be picked up at 10:00 AM on the last day of training.
CADET MAIL: Due to anticipated limited e-mail access, as well as the short duration of this evolution, we will not be able to take either e-mails or letters for the cadets.

MEDICAL RESTRICTIONS: Trainees with pre-existing medical conditions that will affect a safe training environment cannot be allowed to participate. While we want cadets to complete their training, safety is our first concern.

Medications prescribed or over-the-counter are permitted. **If your cadet will need to take ANY medications, a Supplemental Medical History (Page 7/8) which is included in this packet must be completed and approved prior to your being confirmed for training.** Please bring medications in the original container and place them in a baggie and include a copy of this form, which MUST be signed by a medical professional if any of the medications are prescription. **Discontinued use of required medication is not advised.**

The final determination of participation in training due to a medical condition lies with the Commanding Officer, based on NSCC Regulations. All medications must be approved before your cadet will be confirmed in their training so please take this into account if your cadet wants to attend a high-demand training.

SEABAG: Review the sea bag list. **ALL CADETS MUST BRING A WATER SYSTEM (canteen w/web belt or Camelback is OK).** All items must be marked with the cadet’s last name and first initial (all underwear and socks look the same after a while). **IF IT IS NOT ON THE LIST, LEAVE IT AT HOME.** Commercial travelers should bring money and cell phone for their trip to/from Camp Pendleton; they will turn cell phones in at check-in.

Cadets will receive an e-mail from your training Officer-in-Charge with specific instructions for your training and will also be allowed to keep money and a watch, at your own risk.

**NO CELL PHONES ALLOWED FOR ANY CADETS.** Cadets traveling by commercial carrier may bring a cell phone to stay in contact with family until arrival. These cell phones will be secured during training and returned to cadets for their return travel. Failure to turn in cell phones or using cell phones during training will be grounds for dismissal.

QUESTIONS/CONCERNS: Your unit CO is the first person who may be able to answer questions or concerns. They have been sent a copy of this information letter. If you still have questions, please e-mail to question@nsccpsw.org.

We look forward to your cadet having a positive training experience. Welcome Aboard!
