How to Register

1. Have your unit register you on Magellan.
2. Once we see the registration, we will confirm.
3. Within 48 hours of confirmation, you MUST do the following to be approved:
   • Submit the Additional Information Form on our website, www.nsccpsw.org. Click here to link directly to that form.
   • Pay for training and shuttle (if using) at our online store. Click here to link there.
   • Submit the Medical Supplemental Form, if you will be taking meds at training (attached at the end of this letter).
   • Submit the ADA Accommodation Form, if you will need an accommodation at training.

Go to page 2 (or click here) for more information.

CADETS ARE STRONGLY ENCOURAGED TO BRING THEIR OWN LAPTOP AND/OR 35MM CAMERA!

These items are not mandatory but we do recommend that you bring them if you have them to assist in taking and working with your photos. We keep them secured and locked up when not in use.
REGISTERING FOR TRAINING

To get an APPROVED slot at the training, you must:

a. Have your unit’s training officer register you on the MAGELLAN system. We will confirm upon initial entry into Magellan if space is available but must receive the following within 48 hours or registration will revert to Submitted status:
   2) Completion of the ADDITIONAL INFORMATION FORM at www.nsccpsw.org.
   3) Submission of Medical Supplemental Form and/or Request for Accommodation if either are needed.

NO ORDERS WILL BE APPROVED UNTIL ALL 3 PARTS ARE COMPLETE!!!

b. Have your unit upload a copy of your completed and signed NSCTNG001 to MAGELLAN. The original should be placed in your service record, which you will bring to training.

c. If you will be taking any medication, scan/email (or upload to MAGELLAN) a copy of the Page 7/8 Medical Supplemental Form. Your unit’s officers will help with this. We will not approve your space until your meds have been approved as appropriate for this training.

d. Send us any ADA Request for Accommodation well in advance for review, subject to approval. An approved Request for Accommodation at the home unit does not automatically apply at the training. Your unit’s officers will help with this. Your request must be approved before we can approve you in your training.

PAYMENT: Payment for training fees can be made at our website, www.nsccpsw.org. Click on Summer NLCC Training and then follow Step 4 to connect to our online store.

Important! Please include the following information as a note when completing your payment: Cadet’s first and last names and the name of the unit they belong to. Parents often have last names that are different from the cadets and we want to be able to apply your payment correctly. For this reason, we encourage you to complete payment on a computer, not a phone, so that you don’t miss this important step. Please submit one payment at a time with the requested information.
**REPORTING AND TRAVEL**

**REPORTING UNIFORM** is **WORKING UNIFORM** (civilian clothes if traveling by plane, train, or bus).

**REPORTING TIMES:**

- **CADETS ARRIVING BY PERSONAL VEHICLE:**

  Recruits arriving by personal vehicle should report at **9:00 AM on Sunday, July 14, 2018**, at **REDLANDS SPORTS PARK**, 1970 Dearborn St., Redlands, CA (corner of Dearborn and San Bernardino Streets). We will be chartering buses to take cadets up to the camp after check-in.

  Please allow about at least 2 hours for the check-in process. **PARENTS MUST REMAIN ONSITE UNTIL THEIR CADET HAS CLEARED ADMIN!!!**

- **CADETS ARRIVING BY COMMERCIAL CARRIER:**

  All recruits flying to training should plan to arrive at **ONTARIO INTERNATIONAL AIRPORT** on **Saturday, July 13th, NO LATER THAN 2:00 PM**, and depart on **Saturday, July 20th, no earlier than 2:00 PM** (unless other arrangements have been made).

- **OFFICERS AND STAFF CADETS:**

  Adult Escorts and Staff Cadets traveling by personal vehicle will arrive at the Ben Clark Training Center, 16791 Davis Ave., Riverside, CA, at 8AM on **Saturday, July 13th**, for planning meetings. If you need overnight accommodation for the night of **July 12th**, due to a lengthy drive, please let us know.

  Adult Escorts and Staff Cadets traveling by airplane should plan to arrive at the Ontario airport on **Friday, July 12th**. We will arrange berthing that night and transport you to meetings the next morning. Please make sure we have your flight plans!

**GUIDELINES FOR COMMERCIAL TRAVELERS:**

ALL PERSONNEL TRAVELING BY COMMERCIAL CARRIER ARE TO REPORT IN CIVILIAN CLOTHES.

YOU MUST PROVIDE A COPY OF YOUR FLIGHT/TRAIN/BUS ITINERARY to sdoorbar@nsccpsw.org no later than 30 JUN 19 but it is not necessary to provide this information when you register.

Airline travelers will be transported by shuttle service to and from Camp Arbolado for a $30 charge. The shuttle for regular cadets (not staff cadets) will depart the Baggage Claim at the Ontario airport at 3:00 PM on July 13th, so please plan accordingly in order to minimize your wait time until the shuttle leaves. **WE MUST KNOW YOUR TRAVEL PLANS SO WE CAN PUT YOU ON THE SHUTTLE LIST!!!
PLEASE NOTE: We can accommodate cadets traveling "unaccompanied minor," which is a term the airlines use that means that a specifically named adult would have to meet the cadet at their gate. If this was your intention, please let us know ahead of time by contacting LCDR Manoogian at vmanoogian@seacadets.org to discuss PRIOR to booking any tickets.

Parents are advised to book airfare as “refundable/changeable,” in case we have to send your cadet home early. We recommend that, should you choose not to purchase refundable fares, you purchase travel insurance. We cannot be responsible for fare increases due to unforeseen changes in the training schedule.

Upon arrival at the Ontario airport, you will proceed to Baggage Claim, where you will be met by our representative. They will have a list of our arrivals so please check in with them. Depending on the time of your arrival, you could have a long wait so be prepared! MAKE SURE THAT WE KNOW YOUR TRAVEL PLANS!!! If you should encounter delays en route, please call 818-822-6818 and let us know.

WHEN YOU ARRIVE: In your possession should be your service record, valid ID and a complete Sea Bag. No cadet may report aboard without a complete service record with all signatures properly executed on all relevant portions of the NSCADM001 form (Cadet Application, Medical History, Medical Exam) and NSCTNG001 (Request for Orders). Also, a SUPPLEMENTAL HEALTH HISTORY (Page 7/8 of NSCADM001) form should be included if taking or using over-the-counter or prescription medications. NEW THIS YEAR:

EFFECTIVE THIS YEAR, ALL CADETS MUST HAVE PROOF OF THE FOLLOWING VACCINATIONS IN THEIR RECORDS: polio, measles, mumps, rubella, hepatitis B, pertussis, tetanus, diphtheria, and meningitis.

INDIVIDUALS SHOULD CARRY THEIR OWN SERVICE RECORD.

GRADUATION AND DEPARTURE: Graduation events will take place on Saturday, July 20th, at 10:00 AM at a location to be determined. We will send an email invitation midway through the training, so please make sure we have a correct email that will be checked during the Training.

INTERESTED IN STAFFING?

Officer inquiries should be directed to LT Linda Wright at linda.wright.usnscc@gmail.com. Please contact us to have a conversation prior to applying for the training or booking flights.

Upon notification that you have a confirmed billet on the staff, you’ll receive separate instructions with details for your arrival and other useful information.

TRAINING OBJECTIVES AND EXPECTATIONS

TRAINING OBJECTIVES: Our objectives and purpose for offering this training evolution are:
• To introduce and put in practice photography basics.
• To provide training in a specific subject(s) for those Cadets attending training.
• To provide professional training to NSCC Officers and NSCC Staff Cadets so as to allow them the opportunity to utilize their abilities in a supervised military environment.
• To promote the highest level of training that is consistent with NLCC/NSCC National Goals with an atmosphere of respect, support, and esprit de corps.

**SAFETY:** Safety is our #1 priority. The success of this evolution depends on the safety of all personnel. This will be accomplished by the following methods:
• Accountability – This is achieved by knowing where our people are at all times and what they are doing. Each individual will act in a responsible manner.
• By always being alert to possible hazards and taking appropriate action to prevent possible harm to any personnel under our care.
• By making safety everyone’s responsibility, from the cadet to the Commanding Officer. If any person feels their safety is about to be compromised, that person will bring it to the attention of the chain of command.

**CODE OF CONDUCT/HAZING/FRATERNIZATION:** Please review the attached CODE OF CONDUCT. This code will be the basis for a quality training experience. Furthermore, there is a **ZERO TOLERANCE** for hazing and/or fraternization. This includes bullying, use of foul language, and any negative behavior that takes away from a safe and positive training environment.

**PREPARING FOR TRAINING**

**HAIRCUTS:** All hair must conform to NSCC standards. **No cadet will be checked in without a proper haircut.**

**CADET PREPARATION:** All cadets need to understand that this is a TRAINING evolution. To prepare for this evolution, each person should:

• Do physical training. Push-ups, sit-ups, and running are a good way to start. Physical training is included in the cadet-training curriculum.
• Pack their sea bag. This will help in knowing what has been brought to training. Each cadet will be 100% responsible for their own belongings.
• Break-in footwear. There will be a lot of walking during this training and boots are more comfortable if they have been broken in.

**PHYSICAL READINESS TEST (PRT):** As this is an advanced training, no PRT will be performed at training. However, it is expected that cadets will have passed the PRT at their home unit during the 6 months prior to the start of training.

**MEDICAL RESTRICTIONS:** Trainees with pre-existing medical conditions that will affect a safe training environment cannot be allowed to participate. While we want cadets to complete their training, safety is our first concern.
Medications prescribed or over-the-counter are permitted. **If your cadet will need to take ANY medications, a Supplemental Medical History (Page 7/8) which is included in this packet must be completed and approved prior to registering for training.** Please bring medications in the original container and place them in a baggie and include a copy of this form, which MUST be signed by a medical professional if any of the medications are prescription. **Discontinued use of required medication is not advised.**

**The final determination of participation in training due to a medical condition lies with the Commanding Officer, based on NSCC Regulations.**

**SEABAG:** Review the sea bag list in this Packet. **ALL CADETS MUST BRING A WATER SYSTEM (canteen w/web belt or Camelback is OK).** All items must be marked with the cadet’s last name and first initial (all underwear and socks look the same after a while). A sea bag inspection will be conducted on the first day of training. **IF IT IS NOT ON THE LIST, LEAVE IT AT HOME.** Commercial travelers should bring money and cell phone for their trip to/from Camp Pendleton; they will turn cell phones in at check-in.

**ADVANCED TRAINING CADETS:** You will receive an e-mail from your training Officer-in-Charge with specific instructions for your training. Please note that, unlike recruits, you will also be allowed to keep a small amount of money at your own risk. **WATCHES ARE HIGHLY RECOMMENDED FOR THIS TRAINING!**

**DURING TRAINING**

**CADET MAIL:** Due to anticipated limited e-mail access, we will not be able to take inbound e-mails for the cadets. If you would like to send a letter, please address to:

(Cadet’s Name)  
NLCC Photojournalism Training  
c/o Camp Arbolado  
42500 State Highway 38  
Angeles Oaks, CA  92305

Please note that this is for incoming cadet mail during the period of July 14 - 20. To ensure delivery, we recommend that you **send your letter no later than Tuesday, July 16,** to ensure that it arrives during training. Any mail received after training is done will be marked “Return to Sender.”

**NO CELL PHONES ALLOWED FOR ANY CADETS.** Cadets traveling by commercial carrier may bring a cell phone to stay in contact with family until arrival. These cell phones will be secured during training and returned to cadets for their return travel. Failure to turn in cell phones or using cell phones during training will be grounds for dismissal.

**Click here to return to top.**
**QUESTIONS/CONCERNS:** Your unit CO is the first person who may be able to answer questions or concerns. They have been sent a copy of this information letter. If you still have questions, please e-mail to question@nsccpsw.org.

We look forward to your cadet having a positive training experience. Welcome Aboard!

CODE OF CONDUCT

So that this command and all its personnel may effectively work together as a team in a safe environment conducive to learning and esprit de corps, we have established the following Code of Conduct. It will govern all our behavior, from the Commanding Officer to the most junior Cadet. All personnel, cadets, and staff:

1. Will conduct themselves in a professional and military manner so as to bring credit to themselves, their home unit, the United States Naval Sea Cadet Corps, and the United States Navy.

2. Will not use vulgar, profane, humiliating, or racially/ethnically slanted language or address to one another.

3. Will not threaten, or attempt to do bodily harm to one another.

4. Will not take, obtain, or withhold by any means, the property, money, or other articles of value from another.

5. Will not introduce with the intent to use, sell, transfer, or distribute any amount of illicit drugs or paraphernalia, alcoholic beverages, or tobacco products.

6. Will not engage in collection, soliciting, or distributing funds of any kind except as authorized by the command.

7. Will not willfully damage or destroy any government or personal property.

8. Will refrain from physical contact, hand-passed notes, or romantic interludes that are prejudicial to good order and discipline.

9. Will speak to or about each other in a respectful manner. There is to be no arguing, gossiping, backbiting, teasing, or other language deemed unacceptable.

Failure to abide by this Code of Conduct and other guidelines established by the Commanding Officer may result in disciplinary action, extra military instruction (EMI) or dismissal from training.

All reported violations of this Code of Conduct will be investigated. Accusations determined to be knowingly false will carry the same penalty as the violation itself. Summer Training Command, Camp Pendleton, CA is *not* the place to joke around. Don’t forget where you are and what you’re here for.

This command has a ZERO TOLERANCE policy concerning hazing, sexual harassment, and fraternization. This includes bullying, use of foul language, and any negative behavior that takes away from a safe and positive training environment. Transportation costs for anyone dismissed from training rest with the parents or home unit.

V. Manoogian, LCDR, NSCC
Commanding Officer
These orders are to remain in effect for the duration of the training unless modified by competent authority. Failure to obey them will be regarded as a breach of discipline and will subject you to disciplinary action.

1. All cadets will rise at reveille. You will rise promptly and put on the uniform of the day. You will clean and square away your company area in preparation for morning inspection. You will be ready for muster at the appropriate time. Staff Cadets and Officers will rise 10 minutes prior to trainees.

2. You will be present at every muster and in the proper uniform of the day unless excused by the proper authority.

3. You will maintain proper military bearing at all times and observe all military customs and courtesies.

4. You will stand all assigned watches in a military and seamanlike manner.

5. You will not leave the assigned training area or berthing area without the approval of proper authority.

6. You will observe the chain of command. You will initiate requests and reports by addressing your squad leader.

7. You will at all times display due regard for the health, welfare, and safety of yourself and your shipmates.

8. You will not pretend to be ill or injured.

9. You will not embarrass or degrade another person.

10. There will be no smoking.

11. You will not fight or engage in skylarking.

12. The use of illegal or controlled substances is prohibited.

13. You will not leave any electrical appliances unattended while plugged into a circuit.

14. No trainee will be out of their bunks between lights out and reveille unless they are on watch, using the restroom (head) or with approval of proper authority. Staff Cadets will observe lights out one hour after trainees.

15. Staff will remain in uniform while in a duty status.

16. All trainees will respect and observe “out of bounds” notices and “off limits areas” throughout the barracks.

17. Trainees may not use phones.

18. You will not loiter on the quarterdeck. All trainees on the quarterdeck will be in the uniform of the day.

This form, used as a supplement to the Report of Medical History, is MANDATORY for all Cadets who are currently taking medication and will report to training with prescription and/or non-prescription (over the counter) medications. Cadets may bring prescription and non-prescription medication to training as long as the medication is not for a contagious illness or physical condition that would normally preclude his/her full participation in rigorous physical activity. Medication must NOT have expired. This form is to be used in conjunction with the current report of Medical History when screening cadets prior to attending "ALL" trainings for those taking medications.

**THE INFORMATION YOU PROVIDE MUST BE ACCURATE AND COMPLETE.** If the cadet is taking prescription medications, a qualified medical provider must endorse this document in Section 10, confirming the accuracy of the prescription information provided. Medical provider signature for OTC medications is NOT REQUIRED; parent signature is sufficient for OTC medications.

Commanding Officers of Training Contingents (COTC) and Senior Escort Officers (SEO) retain the obligation and right to deny acceptance for training to any Cadet if upon review of the Report of Medical History and this document, it is determined that the Cadet is not physically and/or medically qualified (without ADA accommodation). This includes a determination that they do not have sufficient or qualified personnel to administer required medications. Parents/Legal Guardians should be consulted before making these type determinations.
